ARTICLE 2
CUNY-PSC RELATIONSHIPS

2.1 The parties agree to maintain the academic character of the University as an institution of higher education.

2.2 The entire Agreement between the parties consists of the terms herein stated, and this Agreement terminates all prior Agreements and understandings. All Bylaws, policies and resolutions of the Board, and all Governance plans and practices of the Colleges and of the departments, as currently in effect, or as the same may be hereafter adopted, supplemented or amended, shall be subject to the said stated terms of this Agreement.

2.3 Nothing contained in this Agreement shall be construed to diminish the rights granted under the Bylaws of the Board to the entities and bodies within the internal structure of CUNY so long as such rights are not in conflict with a stated term of this Agreement.

2.4 The rights, functions and powers of the Board and its officers and agents, and of the officers of CUNY, under the applicable law of the State and the Bylaws of the Board, including the Board's right to alter or waive existing Bylaws or policies in accordance with the procedures specified in the Bylaws shall remain vested in the Board and in said officers and agents, subject to the following:

(a) The Board shall supply the PSC with three copies of the Board's Bylaws and written policies. If there is an inconsistency or conflict between an existing Bylaw or policy of the Board and a stated term of this Agreement, the said term of this Agreement shall govern, and the Board shall promptly cause its Bylaws to be amended or repealed to conform therewith.

(b) The Board shall not adopt any new or amended Bylaws, policy or resolution which conflicts with a stated term of this Agreement. In the event any such Bylaw, policy or resolution is adopted by the Board, the said term of this Agreement shall nevertheless govern.

(c) In the event it is proposed that a Bylaw, procedure or policy respecting a term or condition of employment of all or some of the employees covered by this Agreement be adopted, amended or rescinded by resolution of the Board, the PSC shall be given notice and an opportunity to consult in respect of said action prior to said action being taken or becoming effective, in the manner specified below:

(i) The Board or its agent shall furnish the PSC with three copies of all proposed resolutions to adopt, amend or rescind a Bylaw at such time as a standing Committee of the Board or, in the event a committee does not consider the resolution in advance, as soon as the Board as a whole receives a copy of the text of such resolutions or as soon thereafter as practicable, but in no event later than the time the Board's Committee delivers notice of proposed Bylaw changes to the Board.

(ii) The Board or its agent shall furnish the PSC two copies of the agenda of each regular or special meeting of the Board at the time said agendas are made available to members of the Board, and two copies of the minutes of Board meetings at the time said minutes are made available to members of the Board.

(iii) If a standing Board Committee has scheduled hearings on any proposed Board action respecting a term or condition of employment of employees covered by this Agreement, the PSC shall, on request, be permitted to participate in such hearing on such terms as the appropriate Committee shall determine.

(iv) The PSC may request to be heard by the Board at a regularly scheduled or special meeting in order to speak to any item of the Board's agenda, provided that such request is made known to the Board Chairman not less than three (3) days prior to the meeting.

(v) Upon the delivery to a standing Committee of the Board of any proposal for a Board resolution respecting a term or condition of employment of employees covered by this Agreement, or upon the appearance on the Board's agenda of any such resolution, the PSC may request consultation with the Chancellor or the Chancellor's designee in respect of such proposed Board action, in advance of its being taken, and such opportunity for such advance consultation shall be provided unless manifestly impracticable, and the Chancellor or the Chancellor's designee, prior to the Board's action, shall report to the Board the substance of such advance consultation, it being understood that the PSC's consent to the Board's action shall not be required prior to such action being taken or becoming effective, unless the Board action shall be inconsistent with a stated term of this Agreement.

2.5 The Chancellor shall meet with the President of the PSC and a reasonable number of other officers of the PSC twice each semester for the purpose of consultation in respect of the terms and conditions of employment of employees covered by this

Agreement, and of matters necessary to the implementation of this Agreement which are University-wide in nature. Other matters may be placed on the agenda by the Chancellor or the PSC by mutual agreement. In emergencies which prevent the Chancellor's attendance, the Chancellor's designee shall meet with the PSC. Each party shall submit to the other a list of particular matters to be discussed not less than five (5) days before the scheduled date of meeting.

2.6 Each College President shall meet with the PSC chapter chairperson and a reasonable number of other officers of the PSC, which may, at the discretion of the PSC, include cross campus representation, twice each semester for the purpose of consultation in respect of matters directly affecting the terms and conditions of employment of employees of said College covered by this Agreement, and matters necessary to the implementation of this Agreement which are local in nature. Other matters may be placed on the agenda by the President or the PSC by mutual agreement. In emergencies which prevent the President's attendance, the President's designee shall meet with the PSC. Each party shall submit to the other a list of particular matters to be discussed not less than five (5) days before the scheduled date of meeting.

2.7 Nothing contained herein shall prevent the PSC from consulting with the Chancellor and the College Presidents, as described above, at times other than those set forth if matters within the area of collective negotiation arise of an urgent or emergency nature.

ARTICLE 3
UNIT STABILITY

ARTICLE 4
CHECK-OFF AND AGENCY SHOP

4.1 **Check-Off:**
The University agrees to the principle of exclusive check-off of annual PSC dues in amounts to be determined by the PSC in accordance with the forms and procedures approved by the Comptroller's Office of the City of New York or State of New York. Withholding authorizations will be submitted to the appropriate University authorities. The University, together with the PSC, shall develop procedures in conjunction with the Comptroller's Office to expedite the deduction of dues and the prompt remission of same to the PSC.

When a member on dues deduction is transferred from one unit of the University to another, authorization to withhold dues shall be forwarded to the new payroll office.

4.2 **Agency Shop:**
The University and the PSC agree that employees covered by this Collective Bargaining Agreement shall be subject to an agency shop fee deduction to the extent permitted by Article Fourteen of the Civil Service Law in accordance with procedures agreed on by the parties.

ARTICLE 5
INFORMATION AND DATA

5.1 The University, through the Office of the Vice Chancellor for Faculty and Staff Relations, shall make available to the PSC, upon its reasonable request and within a reasonable time thereafter, such statistics and financial information related to the collective negotiation unit and in possession of the University as are necessary for the implementation of this Agreement and for negotiation of a successor agreement. It is understood that this provision shall not be construed to require the University to compile information and statistics in the form requested if not already compiled in that form, unless mutually agreeable.

5.2 The University shall make available to the PSC:

(a) Two copies of the proposed Annual University Budget immediately upon its receipt by the Board.

(b) The name, title, salary, college, department and tenure status of each member of the negotiation unit. Such data shall be made available once during each Fall and Spring semester.

6.1 Released time for the handling of grievances and implementation of this Agreement shall be granted:

(a) to designees of PSC to a maximum aggregate for all campuses (including the Central Office) of 123 classroom contact hours for each semester. 120 hours shall be apportioned amongst the various colleges of The City University of New York with a minimum of 3 hours to be apportioned to each college.

(b) to an officer of the PSC, full time.

6.2 Any designee under 1(a), who is a non-teaching member of the Instructional Staff, may be granted a maximum of one day released time each week. For purposes of paragraphs 1 and 5, a day of

released time shall be the equivalent of six classroom contact hours.

6.3 The names of such PSC designees shall be supplied in writing to the President of each college, with a copy to the Vice Chancellor for Faculty and Staff Relations, no later than prior to the June commencement preceding the beginning of the fall semester and no later than two months preceding the beginning of the spring semester for which such released time is sought. No member of the Instructional Staff who is not a full-time employee in this unit may be eligible for such released time.

6.4 Such released time may not be used to solicit PSC membership.

6.5 Consistent with the proper staffing of college and university programs and services, the Board will permit the PSC to purchase released time for additional designees. Such released time shall be purchased at the adjunct rate appropriate to the designee. The amount of released time under this paragraph shall be subject to agreement between the parties.

ARTICLE 7
ORGANIZATIONAL USE OF FACILITIES

7.1 Upon request to the President or his or her designee, the college chapter of the PSC shall be permitted to meet at the college if appropriate facilities are available. All requests must be in writing at least three days prior to the requested meeting.

7.2 The PSC shall be permitted to use college mailroom facilities for the distribution of PSC communications.

7.3 At each college campus, the President or his or her designee shall assign two (2) bulletin boards for the exclusive use of the PSC for the purpose of posting PSC notices. It is agreed that the number of bulletin boards at each college campus shall not exceed eight (8). However, the PSC shall be entitled to post notices on existing college bulletin boards customarily used for general notices to Instructional Staff, such as in the Faculty Lounge and in the Faculty Dining Room.

ARTICLE 8
NON-DISCRIMINATION

8.1 Neither the University nor the Union will interfere with, restrain or coerce the employees covered by this Agreement because of membership in or non-membership in or lawful activity on behalf of the Union. Neither the University nor the Union will discriminate in respect to hire, tenure of employment or any

terms or conditions of employment of any employee covered by this Agreement because of sex, race, national origin, religion, sexual orientation, political belief or membership in, or lawful activity on behalf of the Union. The University and the Union shall comply with applicable provisions of federal, state and municipal laws and ordinances in respect of discrimination in employment because of age or because of handicap.

8.2 The Union agrees that it will admit to membership and represent equally all members in the bargaining unit.

ARTICLE 9
APPOINTMENT AND REAPPOINTMENT

9.1 When reasonably practicable, initial full-time appointment to the Instructional Staff shall be made, in writing, by the President or his or her designee and approved by the Board prior to the effective date of appointment. Where such written appointment in advance of the effective date is not practicable, appointment shall be made by the President or his or her designee, subject to final action by the Board; in such instances, the President or his or her designee shall advise the appointee, in writing, that the appointment is subject to Board approval.

When a non-tenured or non-certificated member of the instructional staff does not appear at the college to perform his/her duties and fails to receive an authorized leave of absence, the individual shall be considered to have abandoned his/her position, and the college shall have no further obligation to that individual under the following circumstances: in the case of a full-time member of the teaching or non-teaching instructional staff or counselor in an academic title, such abandonment shall be deemed to have occurred after 10 consecutive days of absence, other than Saturdays, Sundays or holidays. In such case the college shall notify the staff member in writing, where possible by certified mail, that abandonment of his/her position has occurred. In the case of an adjunct, such abandonment shall be deemed to have occured after unauthorized absence from the first week of scheduled classes. In such case the college shall notify the staff member in writing by certified mail that abandonment of his/her position has occurred.

In any grievance filed pursuant to abandonment of a position based upon the above, the burden of proof shall be upon the grievant to show:

1. He/She taught assigned classes or performed his/her duties on the days at issue, or

2. He/She applied for and received a prior approved leave for the days at issue.

3. He/She was unable to report for work or give notice because of an emergency which made it impossible to report for work or give notice.

9.2 In the event that the Board does not approve of the appointment, and the appointee has already commenced work, the appointee shall have the option of receiving compensation pro rata for time worked or accepting a college appointment for the duration of that single semester. When however, the Board does not approve the appointment for cause involving matters such as falsified credentials or inaccurate vita, the University shall be under no obligation other than payment for work performed to that point.

9.3 All initial full-time appointments to the Instructional Staff (except for those of substitutes and distinguished professors) shall be for one year or to the end of the academic year in which the appointment takes effect. For appointments to the Business Manager series and HEO series which are made on the basis of the fiscal year, the fiscal year shall obtain.

9.4 All full-time reappointments to the Instructional Staff shall be for no less than one year, except for substitutes and for retirement leave. Employees, other than those who announce their bona fide intent to retire and meet applicable conditions contained in ¶3107 of the Education Law shall be compensated in a lump sum for all annual leave or compensatory time owed on the final date of the appointment or in the case of resignation as of the final work day.

9.5 Part-time appointments may be for less than one year.

9.6 Appointments to the title of Graduate Assistant shall be in accordance with the provisions of 11.2 of this Agreement.

9.7 Substitutes are temporary employees appointed to fill vacancies caused by leaves and/or emergencies; such persons shall have no presumption of retention.

9.8 Instructors and non-certificated Lecturers with four or more years of continuous full-time service in those titles immediately preceding appointment to the rank of Assistant Professor shall receive two years of service credit toward the achievement of tenure in the title Assistant Professor.

By August 31, preceding the first full year appointment to the title, Assistant Professor, the employee shall state, in writing, his/her preference regarding whether or not he/she wishes to waive the service credit toward tenure provided in the previous paragraph. In the event the employee wishes the service credit waived and the President or the President's designee approves, the service credit shall be waived irrevocably. In the event that the employee wishes to have the service credit applied or does not state a preference, the service credit shall apply.

Approval or denial of the request shall not be subject to the provisions of Article 20.

9.9 When a College President determines not to make a recommendation to the Board for reappointment of a full-time member of the instructional staff or promotion of a full-time member of the instructional staff recommended to him/her by a College P&B Committee or other appropriate body, the individual affected by that decision shall be notified of the Committee's favorable recommendation and of the President's decision. The notice shall not state the reasons for the President's action.

Within ten (10) school days after receipt of said notice, the affected individual may submit to the President a signed request, for a statement of the reasons for the President's action. Within ten (10) school days after receipt of the request, the President shall furnish a written statement of his or her reasons to the affected employee.

The President shall not be required thereafter to justify his or her decision or his or her reasons.

It is recognized that the president has an independent duty to recommend to the Board for appointment, reappointment, tenure or promotion only those persons he/she is reasonably certain will contribute to the improvement of academic excellence at the college and to consider institutional factors.

9.10 In the event that a full-time member of the instructional staff appeals through academic channels a negative decision regarding reappointment, tenure, a Certificate of Continuous Employment, or promotion, and the appeal is not successful, the individual shall be so notified by the President or his/her designee in writing.

Within 10 school days after receipt of said notice the affected individual may submit to the President a signed request for a statement of reasons for the denial of the appeal. Within ten (10) school days after receipt of the request, the President shall furnish a written statement of the reason(s) for denial to the affected employee.

It is recognized that the president has an independent duty to recommend to the Board for appointment, reappointment, tenure or promotion only those persons he/she is reasonably certain will contribute to the improvement of academic excellence at the college and to consider institutional factors.

Consistent with Section 20.5 of this Agreement the President's academic judgment shall not be reviewable by an arbitrator.

9.11 An individual who has received a statement of reasons pursuant to section 9.9 may not, upon appeal to the president, receive a second statement of reasons pursuant to section 9.10.

ARTICLE 10
SCHEDULE FOR NOTIFICATION OF REAPPOINTMENT AND NON-REAPPOINTMENT

10.1 Members of the Instructional Staff other than employees in the HEO and Business Manager Series and in the Hunter College Campus Schools shall receive written notice of reappointment or of non-reappointment on the following schedule:

(a) Instructional Staff Members in Tenure-Bearing and Certificate-Bearing Titles, Adjunct and Instructor Titles:

1. Persons hired on an annual basis on September 1 in their first year of service shall receive such notice on or before April 1. An individual who has had prior service in another unit of the University shall be deemed to be serving his or her initial year of appointment in the first year of service at the new unit. This provision shall not be deemed to affect the accumulation of service credit toward tenure or toward a certificate of continuous employment.

2. Persons hired on an annual basis in their second or later years of continuous service shall receive such notice on or before December 1, except that persons in the title Lecturer shall receive such notice in their second year on or before April 1.

3. Persons in adjunct titles hired on a semester basis shall receive such notice on or before December 1 in the Fall semester or April 1 in the Spring semester. Such notification of appointment shall be subject to sufficiency of registration and changes in curriculum which shall be communicated to the employee as soon as they are known to the appropriate college authorities.

If, in the judgment of the college, there is a reasonable expectation that there will be sufficient adjunct employment during the Fall and Spring semesters of the following academic year, the college may issue notification of appointment on or about May 15 for the following Fall and Spring semesters to an employee who has served as an adjunct in the same department of the college for not fewer than six (6) consecutive semesters (exclusive of summer session) during the three (3) year period immediately preceding the appointment. Such notification of appointment shall be subject to sufficiency of registration and changes in curriculum in each semester, which shall be communicated to the employee as soon as they are known to the appropriate college authorities. Such notification shall also be subject to all other conditions of employment including, but not limited to, the

workload provisions of Article 15.2, and shall not be deemed to require that future appointments, if any, be made on a two-semester basis.

Notification of appointment for two semesters shall be wholly discretionary with the college and shall not be grievable.

(b) All other members of the Instructional Staff not otherwise specified shall receive such written notice:

1. On or before June 1 in the first year of service. An individual who has had prior service in another unit of the University shall be deemed to be serving his or her initial year of appointment in the first year of service at the new unit. This provision shall not be deemed to affect the accumulation of service credit toward tenure or toward a certificate of continuous employment.

2. On or before May 1 in their second year or later year of service.

10.2 All notifications shall be made by the President or his or her designee subject to financial ability and subject to ratification by the Board.

10.3 When timely notice of non-reappointment has once been given, but it is later determined in the grievance procedure that there was some irregularity in the original decision not to reappoint, a subsequent notice of non-reappointment, otherwise valid, given after the irregularity has been removed or corrected, shall be deemed timely for the purposes of this Article.

10.4 Teachers in tenure-bearing titles in the Hunter College Campus Schools shall receive notice of reappointment or of non-reappointment on the following schedule:

a) Teachers hired on an annual basis on September 1 in their first year of service shall receive such notice on or before May 1.

b) Teachers hired on an annual basis in their second or later years of continuous service shall receive such notice on or before April 1.

Services in a school or college supported in whole or in part by City or State funds concurrent with service in an institution under the jurisdiction of the Board shall not be counted. The unused portions of such temporary disability leave shall be cumulative to a maximum of one hundred and sixty (160) calendar days during which the college is in regular session.

16.3 Any absences in excess of the cumulative temporary disability leave accrued to the absentee shall be taken without pay, except that the Board may, in cases of protracted disability or unusual hardship, hear recommendations from the President that this provision be waived in exceptional instances, without thereby establishing a precedent.

A full calendar month of service shall represent service from the first working day through the last working day of a given month.

(e) Any employee who is absent from duty because of a temporary disability shall promptly inform his or her department chairperson, who in turn shall inform the appropriate dean of the nature of the temporary disability and of the probable duration of the absence.

(1) When any absence because of a temporary disability exceeds thirty (30) consecutive working days, the absentee shall present a statement from his or her physician explaining the nature of his or her temporary disability and certifying that he or she is fully capable to return to work. In the case of any such absence because of a temporary disability in excess of thirty (30) consecutive working days, the college may also require an examination by a physician in its employ or appointed by it, who shall certify his or her belief that the absentee is fully capable of returning to work. In cases in which there is a conflict of opinion, a third physician, acceptable to the absentee and to the President of the College, shall be called in and his or her judgment shall be accepted as conclusive. In the event that it is found that the condition of such person is such that he or she is incapable of resuming his or her normal duties, such person shall apply for such additional period of leave of absence as may be necessary. Failure to make such application for an additional period of leave of absence shall be deemed neglect of duty.

16.4 Persons who are members of a public retirement system and who meet the eligibility requirements for service retirement, and persons who are members of the optional retirement program and who meet similar eligibility requirements to those of the public retirement system, who announce their bonafide intention to retire and file the appropriate application to retire shall be granted a retirement leave of absence with full pay consisting of one-half of their accumulated unused temporary disability leave up to a maximum of one semester, or the equivalent number of school days. The terms and conditions relating to the counting of such days, intervening vacation periods, cancellation of such leave, reinstatement to active service, etc., shall be governed by Section 3107 of the State Education Law.

16.5 In addition to the provisions of this Article, employees entitled to disability insurance benefits shall receive paid temporary disability leave from the date of the commencement of their temporary disability up to the commencement of disability

insurance benefit payments, only upon presentation to the Personnel Director of satisfactory evidence, provided by a duly-licensed physician, of illness and a prognosis that such illness is reasonably certain to result in a long-term disability that will last more than six consecutive months.

Upon the return of the employee to duty such advanced temporary disability leave that had been provided must be repaid through assignment of future accruals. In the event the employee resigns or voluntarily leaves the University, the remaining value of the advanced temporary disability leave shall be deducted from remaining paychecks or otherwise reimbursed to the University.

16.6 Leaves of absence without pay for temporary disability for periods of less than one (1) year may be recommended by the Board to the appropriate retirement system for credit as service for retirement. Increments may be recommended by the Board for the period during which an employee is on leave of absence without pay for temporary disability for periods less than one (1) year.

16.7 Employees who on September 1, 1969 were entitled to cumulative unused temporary disability leave in excess of one hundred sixty (160) calendar days shall retain the excess accumulation. However, thereafter, no temporary disability leave can be accumulated in excess of one hundred sixty (160) calendar days.

16.8 Special Leaves for Child Care

Special leaves for the purpose of caring for a newborn infant shall be granted to a member of the Instructional Staff upon notification to the President and application for such leave, provided the applicant has legal responsibility for the care and/or support of said child. Such leave shall, insofar as it is practicable, begin on February 1 or September 1 unless the date of the birth of the child is such as to render these times inappropriate. The duration of the leave shall ordinarily be for one full semester. In exceptional cases, the President may terminate such leave during the college term, provided there is an appropriate opening in which the applicant's service may be utilized. An extension of such leave shall be permitted on request for a period not in excess of one year from the end of the original leave. No further extension shall be permitted. Leaves for the purpose of caring for a newborn infant shall be granted without pay during the period of the leave, including the vacation period concomitant to the leave. If the leave is for one semester only, the loss of paid vacation shall be for one month only. If the leave is for two semesters, both months of vacation shall be without pay. If the duration of the leave is less than one calendar year, it shall be credited toward salary increments; if it is one calendar year or more, it shall not be credited toward salary increments.

16.9 When the service of a member of the Instructional Staff is interrupted by reason of absence on a leave for the purpose of caring for a newborn infant, the period of creditable service immediately preceding such absence shall be counted in computing the years of service required for the granting of tenure or for a certificate of continuous employment.

ARTICLE 17
JURY DUTY

17.1 Employees who are required to serve on a jury, or are required to report to Court in person in response to a jury duty summons, or are required to report for jury examination, or to qualify for jury duty, shall receive their regular salary during such absences provided that they remit to the University an amount equal to the compensation received by them, if any, for jury duty. Employees on jury duty during annual leave or holidays shall not be required to remit to the University compensation for such duty.

ARTICLE 18
PROFESSIONAL EVALUATION

18.1 The evaluation of the professional activities of all employees in a public institution of higher education is essential to the maintenance of academic and professional standards of excellence. The purpose of professional evaluations shall be to encourage the improvement of individual professional performance and to provide a basis for decisions on reappointment, tenure and promotions. An evaluation of professional activities shall be based on total professional performance. Written evaluation shall be on file for all employees.

18.2 (a) Evaluation of a member of the teaching faculty shall be based on total academic performance, with especial attention to teaching effectiveness, including, but not limited to, such elements as:

1. Classroom instruction and related activities;
2. Administrative assignments;
3. Research;*
4. Scholarly writing;

---

*It is understood that Lecturers and teachers in the Hunter College Campus Schools shall not be required to have a research commitment.

5. Departmental, college and university assignments;

6. Student guidance;

7. Course and curricula development;

8. Creative works in individual's discipline;

9. Public and professional activities in field of specialty.

(b) Teaching observation, as described below, is one factor in total evaluation of academic performance of the teaching staff.

1. At least once during each academic semester, non-tenured and non-certificated members of the teaching staff shall be observed for a full classroom period. One observation shall take place during any scheduled class during the first ten weeks of a semester. The employee shall be given no less than 24 hours of prior notice of observation.

Tenured and certificated members of the teaching staff may be observed once each semester.

2. a) Each department P & B committee shall designate a panel, the size to be specified by the chairperson, of department observers (which shall include members of the P & B committee). The department chairperson shall schedule the members of this panel to conduct observations as necessary. Each observer shall submit, through the department chairperson, a written observation report to the department P & B committee within one week of the observation. These observation reports shall be considered by the committee in its total evaluation of the employee.

b) The department chairperson shall schedule the post-observation conference for the employee within two weeks after receipt of the written observation report. The post-observation conference shall include the employee and the observer. Either a member of the P & B committee or a member of the department with the rank of tenured Associate Professor or tenured Professor may be assigned by the chairperson at the request of the employee or the observer.

c) Following the post-observation conference, the assigned P & B representative or the assigned senior faculty member shall prepare a record of the discussion in memorandum form for submission to the chairperson. If the post-observation conference includes only the observer and the employee, then the observer shall prepare the record of the discussion in memorandum form. The original conference memorandum shall be placed in the employee's personal file. The employee may have a copy of this document provided a signed receipt is tendered. The observation report shall be placed in the personal file.

d) In the event that the observation or post-observation conference is not held within the time stipulated herein, the employee shall, within ten (10) working days thereafter, file an "observation/conference request form" with the chairperson. A copy of the form shall be sent to the appropriate dean and the Office of the President. Failure of the employee to file within the stipulated time the "observation/conference request form" shall bar the employee from subsequent complaint regarding such non-compliance with Article 18.2(b), 2 b) or c). Upon the receipt of the request form the college shall cause appropriate remedial action to be taken, including, if necessary, scheduling of an observation and/or observation conference by the dean or President or their designee.

e) After ten (10) semesters of service teaching observation for adjunct personnel shall be held at the request of the chairperson or the adjunct.

18.3 Annual Evaluations:

(a) Members of the teaching faculty: At least once each year, each employee other than tenured full professors shall have an evaluation conference with the department chairperson or a member of the departmental P & B committee to be assigned by the chairperson. Tenured full professors may be evaluated. At the conference, the employee's total academic performance and professional progress for that year and cumulatively to date shall be reviewed. Following this conference, the chairperson or the assigned member of the P & B shall prepare a record of the discussion in memorandum form for inclusion in the employee's personal file. Within ten (10) working days after the conference, a copy of the memorandum shall be given to the employee. If the overall evaluation is unsatisfactory, the memorandum shall so state. The employee in such case shall have the right to endorse on the memorandum a request to appear in person before the department P&B.

(b) Members of the non-teaching staff, including Librarians, CLTs, Counselors, Student Personnel Services staff, Registrar series, Business Manager series, HEO series and other non-teaching members of the Instructional Staff covered by this Agreement: Preferably once each semester, but at least once each year, each employee shall have an evaluation conference with the chairperson or supervisor to be designated by the appropriate dean or President. At the conference, the employee's total performance and professional progress shall be reviewed. Following this conference, the designated official shall prepare a record of the evaluation discussion in memorandum form for inclusion in the employee's personal file. A copy of the report shall be given to the employee within ten (10) working days following the conference.

(c) In the event that a date for yearly evaluation is not scheduled by March 1, the employee shall, within ten (10) working days thereafter, file the "observation/conference request form" with the chairperson or supervisor. A copy of the form shall be sent to the appropriate dean and the Office of the President. Failure of the employee to file the request form shall bar the employee from subsequent complaint regarding such non-compliance with the above-stated scheduling requirement. Upon receipt of the request form, the dean or President, shall cause appropriate remedial action to be taken to insure compliance with this provision.

(d) After four (4) semesters of service annual evaluation for adjunct personnel shall be held at the request of the chairperson or the adjunct, provided, however, that if such evaluations are conducted at the request of the adjunct, such evaluations may not be conducted more than once every four semesters.

18.4 In those institutions that operate on a basis other than semester (such as trimester or quarter system) the observation and evaluation provisions of this Article, where applicable, shall apply only to two of the three trimesters or two of the four quarters.

In the Hunter College Campus Schools, the respective Principals of the Elementary School and High School may, in addition to the teaching observation set forth in Article 18.2(b), conduct unscheduled observations of members of the instructional staff. If, following the observation, the principal wishes to prepare a record of the unscheduled observation, he/she shall within ten (10) days, excluding Saturdays, Sundays, and legal holidays, from the date of the observation, conduct a post-observation conference with the employee. Following the post-observation conference, the principal shall within ten (10) days, excluding Saturdays, Sundays or legal holidays, prepare a record of the discussion in memorandum form for inclusion in the employee's personal personnel file.

ARTICLE 19
PERSONNEL FILES

19.1 Each unit within The City University shall maintain two personnel files for each employee.

19.2 There shall be a personal file which shall include but not be limited to the following:

(a) Personnel information;

(b) Information relating to the employee's academic and professional accomplishments submitted by the employee or placed in the file at his or her request;

(c) Records generated by the college;

(d) Memoranda of discussions with the employee relating to evaluations of the employee's professional performance;

(e) Observation reports of the employee's academic and professional performance.

No materials shall be placed in the employee's file until the employee has been given the opportunity to read the contents and attach any comments he or she may so desire. Each such document shall be initialed by the employee before being placed in his or her file as evidence of his or her having read such document. This initialing shall not be deemed to constitute approval by the employee of the contents of such document. If the employee refuses to initial any document after having been given an opportunity to read the same, a statement to that effect shall be affixed to the document.

(f) Each non-tenured and non-certificated full-time member of the instructional staff is encouraged to examine and to initial his/her personal file prior to the end of each academic year. Such member should promptly report to the individual keeping the files any documents which he/she wishes to be included in the file and should furnish any such document not in the possession of the college.

Each year, each tenured and certificated full-time member of the instructional staff is encouraged to examine and to initial his/her personal file prior to the end of the fall semester. Such member should promptly report to the individual keeping the files any documents which he/she wishes to be included in the file and should furnish any such document not in the possession of the college.

The employee's personal file shall be available for examination by the employee at his or her request.

19.3 There shall be a separate administration file which shall contain only such materials requested by the unit of The City University or supplied by the employee in connection with the employee's employment, promotion or tenure.

The administration file shall be available only to the committee and individuals responsible for the review and recommendation of the employee with respect to appointment, reappointment, promotion or tenure.

ARTICLE 20
COMPLAINT, GRIEVANCE AND ARBITRATION PROCEDURE

20.1 Intent:

The parties agree to use their best efforts to encourage the informal and prompt settlement of complaints and grievances which may arise between the PSC, the employees, and the University. The orderly processes hereinafter set forth will be the sole method used for the resolution of all complaints and grievances.

20.2 Definitions:

A complaint is an informal claim by an employee in the bargaining unit, or by the PSC of improper, unfair, arbitrary or discriminatory treatment.

A complaint may, but need not, constitute a grievance. Complaints shall be processed through the informal procedure herein set forth.

A grievance is an allegation by an employee or the PSC that there has been:

(1) a breach, misinterpretation or improper application of a term of this Agreement; or

(2) an arbitrary or discriminatory application of, or a failure to act pursuant to the Bylaws and written policies of the Board related to the terms and conditions of employment.

20.3 Informal Procedure for Handling Complaints:

Any employee in the bargaining unit may present and discuss his or her complaint either with or without a representative of the PSC. Similarly, a representative of the PSC may present and discuss a complaint on behalf of any employee or group of employees with the head of the department involved. This presentation and discussion shall be entirely informal. Any settlement, withdrawal or disposition of a complaint at this informal stage shall not constitute a binding precedent in the settlement of similar complaints or grievances.

20.4 Formal Procedure for Handling Grievances:

Grievances may be filed by an employee in the bargaining unit on his or her behalf, by the PSC on its behalf, or by the PSC on behalf of any employee or group of employees in the bargaining unit. Grievances involving employees in more than one College of the University may be filed by the PSC initially at Step 2 of the grievance procedure.

Except in the case of a grievance or arbitration brought by the PSC on its own behalf or on behalf of an employee or a group of employees, no member of this unit may represent another member of this unit at any level of the grievance or arbitration procedure.

A grievance must be filed by an employee or the PSC within thirty (30) days, excluding Saturdays, Sundays and legal holidays, after the PSC or the employee on whose behalf the grievance is filed became aware of the action complained of except that grievances relating to reappointment or to appointment with a certificate of continuous employment shall be filed within thirty (30) days excluding Saturdays, Sundays, or legal holidays of the individual's scheduled date of notification as specified by Articles 10 and 13 of the Agreement. Any grievance or informal complaint not processed in accordance with the time limits specified herein shall be deemed waived by the grievant.

A grievance must be stated in writing setting forth the basis therefor with reasonable particularity, including a designation of the Article of the Agreement, the Section of the Bylaws, or the written policy of the Board relied upon, and the remedy requested.

Step 1. Grievances shall be filed with the President of the College affected or the President's designee. The President or the designee shall, within fifteen (15) days excluding Saturdays, Sundays, or legal holidays, of the receipt of the grievance, meet with the grievant and a representative of the PSC for the purpose of discussing the grievance. The President or the designee shall, within fifteen (15) days, excluding Saturdays, Sundays, or legal holidays, after the grievance meeting, issue a decision with reasons in writing to the grievant and the PSC.

Step 2. If the grievance has not been settled at Step 1, then within twenty (20) days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of the written decision of the President of the College or the President's designee, or the expiration of the time limits for making such decision, the grievant or the PSC may submit the grievance in writing to the Chancellor or the Chancellor's designee, together with a copy of the decision of the President of the College affected, or the designee. The Chancellor or the Chancellor's designee shall, within twenty (20) days, exclusive of Saturdays, Sundays, or legal holidays, of the receipt of the grievance, meet with the grievant and a representative of the PSC for the purpose of discussing the grievance. The Chancellor or the designee shall, within twenty (20) days, exclusive of Saturdays, Sundays, or legal holidays, after the grievance meeting, mail the disposition with reasons in writing to the PSC and to the grievant or grievants affected by certified mail, return receipt requested.

Step 3. If the grievance has not earlier been settled, or if the Chancellor's disposition has not been issued within the time limits above set forth, the person or persons who submitted the grievance at Step 2 may appeal the Step 2 decision to arbitration by serving written notice to that effect by certified mail, return receipt requested, directed to the Chancellor or the Chancellor's designee and to the American Arbitration Association within twenty (20) days, exclusive of Saturdays, Sundays, or legal holidays, after mailing of the Step 2 decision, or the last date for the mailing thereof. Arbitration shall be conducted in accordance with the rules of the American Arbitration Association and the laws of the State of New York, subject to the provisions of paragraph 20.5 hereof. Legal holidays referred to above shall be those holidays so designated by the State of New York.

20.5 Special Arbitration Provisions:

(a) The parties hereby designate and/or such other arbitrators as shall be mutually agreed upon by the parties during the life of this Agreement, as Members of the Arbitration Tribunal Panel under the Agreement. The American Arbitration Association shall designate individual Arbitrators, who are Members of the Arbitration Tribunal Panel, to serve in particular cases submitted to arbitration in accordance with this Section. The designation and initial scheduling of such cases shall be in accordance with following procedure:

shall be the Administrative Chairperson of the Arbitration Tribunal Panel. The Chairperson shall review all requests for arbitration, together with the grievances in Step 1 and Step 2 and the responses related thereto, and shall, in his or her discretion, determine and direct the American Arbitration Association in respect of the assignment and initial scheduling of particular cases for hearing before himself or herself or any other single Member of the Panel. The Member of the Panel so designated shall be the sole Arbitrator for such case. In connection with said scheduling and assignment, the Chairperson may require consultation with parties' representatives as to the nature of the issues and relief sought and as to other matters related to the assignment or initial scheduling of cases for hearing. The Chairperson may issue a Memorandum of such consultation for the guidance of the parties, the American Arbitration Association, and the designated Arbitrator, it being understood that the Chairperson shall make no determination as to any issue of arbitrability or as to any other issue in the case, unless and until he or she is the assigned Arbitrator, and that the said Memorandum shall not constitute an Award nor be binding upon the designated Arbitrator or the parties. The Arbitrator shall be authorized at any time during the course of the proceedings, on the basis of the proceedings to date, to issue

preliminary or interim awards, including awards as to arbitrability, which shall determine the further course of the proceedings.

(b) For purposes of this sub-paragraph, "academic judgment" shall mean the judgment of academic authorities including faculty, as defined by the Bylaws, and the Board (1) as to the procedures, criteria and information to be used in making determinations as to appointment, reappointment, promotions, and tenure and (2) as to whether to recommend or grant appointment, reappointment, promotions and tenure to a particular individual on the basis of such procedures, criteria and information. In the arbitration of any grievance or action based in whole or in part upon such academic judgment, the Arbitrator shall not review the merits of the academic judgment or substitute his or her own judgment therefore, provided that the Arbitrator may determine (i) that the action violates a term of this agreement or (ii) that it is not in accordance with the Bylaws or written policies of the Board, or (iii) that the claimed academic judgment in respect of the appointment, reappointment, promotion or tenure of a particular individual in fact constituted an arbitrary or discriminatory application of the Bylaws or written policies of the Board.

(c) (1) In cases involving the failure to appoint, promote or reappoint an employee in which the Arbitrator sustains the grievance, except as specifically provided by sub-paragraph (d) below, the Arbitrator shall not, in any case, direct that a promotion, appointment or reappointment with or without tenure be made, but upon his or her finding that there is a likelihood that a fair academic judgment may not be made on remand if normal academic procedures are followed, the Arbitrator shall remand the matter to a select faculty committee of three tenured full or associate professors of The City University of New York, to be selected from a panel jointly chosen by the Chancellor and the President of the PSC of no fewer than 100 tenured full or associate professors, or in a case involving members of the non-classroom instructional staff, from a panel of no fewer than 40 Higher Education Officers, Higher Education Associates, Business Managers, Assistant Business Managers, Registrars, Associate Registrars, Chief CLT's and Senior CLT's. The composition of the said panel shall be subject to review and/or replacement annually.

The selection of the members of a select faculty committee shall be made in the following manner: The Chancellor shall submit to the PSC the names of 4 persons from the panel established pursuant to paragraph 20.5.c.1 to serve on the committee. The PSC may reject one name. In the event the PSC does not reject one name the Chancellor shall select the 3 persons to serve on the committee.

The committee to whom such remand is made for the making of the academic judgment shall (1) have access to the same materials to which the College President had access with respect to the action from which the grievance arose, except as modified by the arbitrator's award, (2) be subject to the regular rules of confidentiality of faculty proceedings, and (3) the select committee shall be constituted within a reasonable time after the Arbitrator's Award is rendered and shall render its decision within twenty (20) days thereafter. The authority of the committee is limited to rendering the academic judgment on the action from which the grievance arose. The committee recommendation shall be in conformity with the Bylaws and policies of the Board and with the Agreement. The recommendation of the committee shall be in the form:

"The committee recommends (does not recommend)
(a) appointment, (b) reappointment or (c) promotion"

The committee shall not make recommendations as to any other matter, including but not limited to period of employment or compensation or other benefit of employment.

On receipt of a positive decision which conforms with this Agreement, the Chancellor shall recommend approval of the select committee decision to the Board of Trustees. In the event that the committee decision does not conform with the Agreement, the committee shall be disbanded and a new committee established.

(2) In cases which arise from actions on reappointment with tenure or a CCE or promotion, the grievant who has been awarded retroactive tenure, CCE or promotion as a result of the recommendation of a select faculty committee adopted by The Board shall receive the salary exclusive of fringe benefits which would have been payable from the effective date of the tenure, CCE or promotion less any amounts earned and other legal offsets attributable to the period between the date of tenure, CCE or promotion and the effective date of the implementation of the remedy.

In cases which arise from actions on reappointment for a prescribed period of time, and the grievant is reappointed as a result of the recommendation of a select faculty committee adopted by The Board, the sole remedy shall consist of reappointment for a prospective equivalent period of time.

Grievances which arise from action on reappointments with tenure, CCE or promotion shall be given priority in processing in the grievance procedure including scheduling for arbitration.

(d) (1) In cases involving the failure to reappoint an employee in which the arbitrator sustains the grievance upon a finding of a failure to comply with, or an arbitrary or discriminatory application of, procedures such that no academic judgment could

have been made with respect to the reappointment of such employee, and a further period of service is necessary to correct the failure to comply with, or the arbitrary or discriminatory use of, procedure, the arbitrator may recommend the prospective reappointment of such employee for a period not to exceed one academic year. The Board shall appoint the employee in accordance with the arbitrator's recommendation. In no event shall such reappointment confer or result in the granting of tenure, a certificate of continuous employment, or a multiple-year appointment.

(2) If an employee who has been appointed upon an arbitrator's recommendation is thereafter reappointed pursuant to established procedures for the next academic year in a tenure or certificate-bearing title, or in a multiple year reappointment situation, the service pursuant to the appointment recommended by the arbitrator shall be counted as service toward tenure or a certificate of continuous employment, or a multiple year appointment, as the case may be.

20.6 In no event shall the Arbitrator have authority to add to, subtract from, modify or amend the provisions of this Agreement or the Bylaws of the Board. Such decision or award shall be binding upon the PSC, the University and the employees affected thereby. The costs of arbitration shall be borne equally by the parties. When arbitrations are not initiated by the PSC, the American Arbitration Association shall require the employee or employees submitting the same to file with the Association adequate security to pay the cost of arbitration. Expenses for witnesses, however, shall be borne by the party who calls them.

20.7 Duplicative Proceedings

A grievance alleging a violation of Article VIII shall not be processed under this Agreement on behalf of any employee who files or prosecutes, or permits to be filed or prosecuted on his or her behalf in any court or governmental agency, a claim, complaint or suit, complaining of the action grieved, under applicable federal, state or municipal law or regulation.

Notwithstanding the preceding sentence, in a case involving a non-reappointment, if the processing of the grievance is not completed within three hundred and forty-five (345) days of the date of notice of non-reappointment, the restriction provided in the preceding sentence shall not be applicable when a complaint is filed thereafter with the City Commission on Human Rights, the State Division of Human Rights or their successor agencies with respect to the same claim.

20.8 A grievance filed by the PSC pursuant to this article may be resolved by settlement only if agreed to in writing by the Office of Faculty and Staff Relations and by the PSC Central Office.

ARTICLE 21
DISCIPLINARY ACTIONS

21.1 Members of the Instructional Staff may be disciplined by removal, suspension with or without pay, or any lesser form of discipline for one or more of the following reasons, except that staff in the HEO or Business Manager series titles shall be subject to discharge as provided in Article 13.7, and Adjuncts shall be subject to discharge as provided in Article 21.12:

(a) Incompetent or inefficient service;

(b) Neglect of duty;

(c) Physical or mental incapacity;

(d) Conduct unbecoming a member of the staff. This provision shall not be interpreted so as to constitute interference with academic freedom.

21.2 Disciplinary proceedings shall be initiated by the President of the college by the service of a written notice of intent to prefer charges upon the employee, which shall set forth:

(a) the proposed charges against the employee, and

(b) the proposed penalty.

21.3 Within seven (7) calendar days of service of the written notice of intent to prefer charges, a meeting shall be conducted by the President or his or her designee with the employee, who may be accompanied by an attorney or representative of the Professional Staff Congress, to discuss the notice, the proposed charges, the proposed penalty, and the basis of the charges.

21.4 Within fourteen (14) calendar days of the meeting described in Section 21.3, the President shall either:

(a) Withdraw the notice of intent to prefer charges, or

(b) Prefer charges, including a recommended penalty.

21.5 Within fourteen (14) calendar days of service of the President's written statement of charges and recommended penalty, the employee may:

(a) Acquiesce to the charges and accept the recommended penalty by written notification to the President

or,

(b) Request a hearing before the Chancellor's Designee.

If no acquiescence to the charges and acceptance of the penalty is received and if no request for a hearing is made by the employee, the matter shall proceed in accordance with Section 21.6 below.

21.6 Within fourteen (14) calendar days of receipt of the President's statement of charges, unless the penalty has been accepted by the employee, the Chancellor's Designee shall schedule a hearing and within fourteen (14) calendar days of the hearing investigate the matter and render a decision including the determination of penalty.

21.7 The penalty recommended by the Chancellor's Designee shall be implemented after fourteen (14) days, unless within fourteen (14) calendar days of the receipt of the decision of the Chancellor's Designee the employee elects to appeal as follows:

a. In the case of an employee who is tenured or certificated and upon whom a penalty of dismissal or of a monetary nature is imposed by the Chancellor's Designee, the employee may elect either to:

(1) proceed to disciplinary arbitration in accordance with Section 21.8 below, or

(2) elect to have the matter forwarded to a CUNY hearing committee, in accordance with Section 21.9 below.

b. In the case of an employee who is tenured or certificated, and upon whom a penalty other than dismissal or of a monetary nature is imposed by the Chancellor's Designee, and in the case of all non-tenured and non-certificated employees subject to these procedures, the employee may appeal by proceeding to disciplinary arbitration in accordance with Section 21.8 below.

21.8 Disciplinary Arbitration

21.8.a The City University and the PSC shall jointly agree on a panel of disciplinary arbitrators. Each member of the panel shall be assigned a number in rotation and, in the event of disciplinary arbitration, the first arbitrator in order who is available to conduct a hearing within ten (10) calendar days shall serve as the arbitrator.

21.8.b The procedure for disciplinary arbitration is as follows:

(1) Notice of appeal to disciplinary arbitration shall be filed by service upon the Vice Chancellor for Legal Affairs. A copy of the appeal shall be sent simultaneously to the College President.

(2) The case shall be assigned to an arbitrator to be selected in accordance with Section 21.8.a above.

(3) The disciplinary arbitrator shall hold a disciplinary arbitration hearing within ten (10) calendar days of designation, or on such other date as may be mutually agreed upon by the parties. The disciplinary arbitrator shall render a decision within five (5) calendar days of the close of the hearing. The arbitrator shall follow AAA procedures.

(4) The disciplinary arbitrator shall be limited to determinations of guilt or innocence and the sufficiency of grounds for the penalty. The arbitrator shall not consider alleged violations of any other provision or article of this Agreement, or of the University Bylaws or written policies, which shall be subject, as applicable, only to the provisions of Article 20 of this Agreement. The disciplinary arbitrator shall not add to, subtract from, or modify the provisions of this Agreement. The disciplinary arbitrator's decision regarding guilt or innocence and the sufficiency of grounds for the penalty shall be final and binding upon the parties. The disciplinary arbitrator may approve or disapprove the penalty or impose other penalties warranted under the circumstances.

21.9 CUNY Hearing Committee

A CUNY Hearing Committee shall be convened for tenured and certificated employees against whom the Chancellor's Designee has imposed a penalty of dismissal or of a monetary nature and who elect to proceed hereunder. The procedure shall be as follows:

(a) Within ten (10) calendar days of the receipt of the employee's election to proceed hereunder, a hearing committee consisting of three (3) tenured or certificated members of the CUNY Instructional Staff, designated as follows, shall be convened to hear and determine the charge:

One member designated by the College Personnel and Budget Committee of the College of the person charged (or by the College Committee exercising the usual power of such Committee);

One member designated by the University Faculty Senate Executive Committee from a college other than the college of the person charged; and

One member from outside the college concerned, who shall be Chairperson, shall be selected by the other two and shall be of the rank of tenured full or associate professor.

The names of the members of this committee shall be reported to the Board by the President.

(b) In the event a hearing committee is not appointed within ten (10) calendar days of the service of the charges upon the person charged, the appointment of the persons above described shall be made by the Board or the Executive Committee of the Board.

(c) The Committee, and the Chairperson of the Committee, shall have the powers of a Committee appointed by the Board under Section 6212(9) of the Education Law, and may request the General Counsel of the Board or Vice Chancellor of the University for Legal Affairs to act as its legal adviser or hearing officer, to make rulings on evidence or procedural questions, or to assist the Committee to make such rulings. The person charged shall have the right to representation, the right to confront his or her accusers, and to cross-examine witnesses. The Committee shall not be bound by the rules of evidence.

21.10 The procedures specified herein shall continue in effect until the expiration date of the CUNY-PSC Agreement which shall be the successor agreement to that commencing September 1, 1984. At that time, the parties shall negotiate the continuance or modification of these procedures. Should no agreement be reached, Article 21 of the 1982-84 CUNY-PSC Agreement shall be incorporated into the next succeeding agreement.

21.11 Any person against whom charges have been made may, at any time during the pendency of the charges, be suspended by the president of the college. Such suspension shall be without loss of pay.

Failure to be available for any Article 21 proceeding without said approval of a request to be absent for the period specified in the approval of the request shall result in loss of pay status for a period of three weeks. Such period of non-pay status shall be discontinued as of the date of the proceeding if a proceeding under this

article is scheduled and held within that three-week period. If, however, the person continues to be unavailable, the person shall be subject to further removal from pay status for successive three-week periods until such time as the proceeding is scheduled and held. Said loss of pay status cannot be charged to annual leave, temporary disability leave, or other paid leave.

21.12 Adjuncts shall be subject to discharge for just cause, subject to the Grievance and Arbitration article and not to Article 21 of this Agreement.

22.5 In recognition of the non-promotional status of the Higher Education Officer and Business Manager series titles the parties agree that upon the recommendation of the appropriate supervisory personnel in recognition of excellence in performance or increased responsibilities a member of the instructional

staff in any of such titles may, upon approval of the Board, be granted an additional Movement within Schedule in the same title.

ARTICLE 25
RESEARCH FELLOWSHIP AND SCHOLAR INCENTIVE AWARDS

25.1 The parties agree that the University shall provide the following sums in the form of research and fellowship awards:

PSC-CUNY RESEARCH AWARDS:

7/1/87	$2.5 million
7/1/88	$2.8 million
7/1/89	$2.8 million
7/1/90	$2.8 million

FELLOWSHIP AWARDS:

8/31/87	$1.725 million
8/31/88	$2.00 million
8/31/89	$2.00 million
8/31/90	$2.00 million

Up to one half of the sum provided for fellowship awards shall be set aside for full-pay half-year leaves in order to assure the financial ability to provide a minimum of one such award each year at each college.

In order to provide continuity in these programs, the parties agree that the last annual grant under this Agreement shall be for a full year.

25.2 PSC-CUNY Research Awards

(a) Eligibility: It is the intention of the parties that the funds for research shall be available without restriction to all full-time members of the instructional staff, and the junior members of the faculty in particular, who are on the regular

University payroll processed through the Office of the Comptroller of the City or State of New York. The parties further intend that research funding shall be used to support activities in the creative arts and all academically relevant research in the areas of natural science, social science and humanities, including but not limited to research related to curriculum development, improvement in teaching, adaptation of standard educational techniques to special clientele and the relationship between technical or occupational training and the liberal arts curriculum.

(b) Committee: The Chancellor shall appoint a faculty committee to be composed of representation among the Biological Sciences, the Physical Sciences, the Social Sciences, the Humanities, the professional schools and a representative of the non-classroom professional staffs. Such committee shall be constituted as the University Committee on Research Awards, charged with the responsibility to make, in its discretion, research grants to individual instructional staff members of The City University of New York. The Chancellor may designate such University personnel as required for the financial administration of the research fund.

(c) The Committee shall be responsible for establishing guidelines for the application and approval of research awards and shall communicate these procedures to all members of the instructional staff.

25.3 Fellowship Awards

(a) Eligibility: It is the intention of the parties that the funds for fellowship awards be limited to instructional staff members of the permanent instructional staff. Tenured members of the permanent instructional staff, including those holding the title Lecturer with certificates of continuous employment, who have completed six years of continuous paid full-time service with the University exclusive of non-sabbatical or fellowship leave, shall be eligible for a fellowship award. Individuals in professorial titles who are on leave from the title Lecturer with a certificate of continuous employment shall be eligible for a fellowship award. Service shall include service in a school or college maintained in whole or part with City funds immediately preceding service in a college or institution under the jurisdiction of the Board of Trustees, provided that credit for such prior service shall not exceed three (3) years.

(b) Applications: 1. Applications for a fellowship award may be made for the following purposes:

(a) Research (including study and related travel)
(b) Improvement of teaching
(c) Creative work in literature or the arts.

2. Such application shall also state that the applicant will continue to serve for at least one year after expiration of the term of his or her leave unless this provision is expressly waived by the Board of Trustees.

3. The application in the form of a plan shall be submitted to the appropriate departmental committee and, if approved, to the college committee on faculty personnel and budget. If the latter committee approves, it shall forward the application to the President with its endorsement. Such endorsement must state that the work of the department in which the applicant serves can be so arranged as to be carried forward effectively during the period of the leave, and that the work the applicant intends to do is consonant with the principles of the fellowship leave. The President shall transmit such application to the Board of Trustees, with his or her own recommendation.

4. The Board of Trustees will consider the advantage of the applicant as a scholar and teacher to be expected from such a fellowship award, and the consequent advantage through his or her service to the college. Special consideration shall be given to those applicants who have not had a sabbatical leave or fellowship in fourteen (14) or more years.

5. Salary payments during the fellowship leave shall be as follows:

One-half (1/2) pay if the leave is for a full year. Full pay if the leave is for one-half (1/2) year. Members of the unit who receive a full-year fellowship leave at one-half pay may, at their option, upon written notice to the President no later than October 30 or March 30, whichever is applicable, terminate the fellowship leave after one-half year.

Where fellowships are terminated upon request under Section 25.3(b)5, such termination relieves the University of any obligation to further claims for the second half of the leave, but does not reduce the time period or other qualifications required for consideration for a subsequent fellowship leave.

(c) The University agrees to request the appropriate retirement system to credit the period of the fellowship as service for retirement purposes. The period of the fellowship leave shall be credited for increment purposes.

(d) Nothing contained in this Article shall be construed to diminish or impair the rights of an employee appointed prior to July 1, 1965, of the benefits of the Bylaws of the Board as they existed on July 1, 1965 with respect to sabbatical leaves of absence.

25.4 Professional Reassignments in the Library

The parties agree to establish a paid leave not to exceed four weeks during any year commencing September 1 and ending August 31 for the purpose of permitting members of the instructional staff who serve in the libraries to be reassigned for research, scholarly writing, and other recognized professional activities that enhance their contribution to City University. The reassignments shall be subject to approval by the personnel and budget committees of the respective library departments and appropriate college-wide committees. The parties accept as a goal the reassignment of 50 members of the instructional staff in the University libraries during a one-year period.

25.5 Scholar Incentive Awards

Scholar Incentive Awards of not less than one semester nor more than one year shall be established for full-time personnel in the following titles: Professor, Associate Professor, Assistant Professor, Instructor, Lecturer, University Professor, Distinguished Professor and Medical Series. The only purpose of these Awards shall be to facilitate bona fide and documented scholarly research. Other projects or proposals (e.g. meeting of degree requirements, study, service outside the University) or reasons (e.g. professional, career, personal) shall not be considered for these Awards.

The application in the form of a plan shall be submitted to the appropriate departmental committee and, if approved, to the college committee on faculty personnel and budget. If the latter committee approves, it shall forward the application to the President with its endorsement. Such endorsement must state that the work of the department in which the applicant serves can be so arranged as to be carried forward effectively during the period of the leave, and that the work the applicant intends to do is consonant with the principles of the Scholar Incentive Award. Upon positive recommendation of the President, the application shall be forwarded to the Chancellor for review and recommendation.

The following principles for such Scholar Incentive Awards shall apply:

1. A candidate shall be a full-time member of the instructional staff in one of the above titles.

2. A candidate shall have completed not less than one full year of continuous paid full-time service with the University before becoming eligible for a Scholar Incentive Award. A candidate shall be eligible for a subsequent Scholar Incentive Award after six years of creditable service with the University since the completion of the last Scholar Incentive Award. A Scholar Incentive Award may not be held concurrently with a Fellowship Leave.

3. If a Scholar Incentive Award is immediately preceded by full-time continuous service creditable for tenure or a Certificate of Continuous Employment or Fellowship Award and immediately followed by such full-time continuous service, the period of creditable service immediately preceding the Scholar Incentive Award shall be counted in computing the years of service required for the granting of tenure, Certificate of Continuous Employment or Fellowship Award.

4. A candidate may be compensated by the University for up to 25% of annual salary rate. The total amount of money earnable with outside support and the University salary may not exceed 100% of the annual salary rate that the person would have received without the leave. The amount may be less than 25% if the amount of any outside fellowship and grant support received would result in earnings above 100% of salary.

5. The University shall develop guidelines to be utilized in approving applications for Scholar Incentive Awards.

25.6 Complaint Procedure

Award decisions made under this Article shall be subject only to the informal complaint procedure specified in Article 20 hereof.

ARTICLE 26
WELFARE BENEFITS

26.1 The University shall contribute $775.00 effective September 1, 1987, and $825.00 effective September 1, 1988, and $875.00 effective September 1, 1989. The above amount will be paid on a per capita per annum basis to the PSC-CUNY Welfare Fund for all full-time eligible members of the instructional staff, including Lecturers. The per capita count shall be based on the life insurance enrollment figures.

26.2 Determination of eligibility and benefits is made by the PSC-CUNY Welfare Fund.

26.3 The parties agree to reorganize the structure of the PSC-CUNY Welfare Fund in accordance with the principles set forth in the document entitled "Structure of the PSC-CUNY Welfare Fund," dated May 21, 1985. The parties further agree that the new structure shall be in effect not later than January 1, 1986 and that they shall take all of the steps necessary to amend appropriate documents, including the Tripartite Agreement. The restructured PSC-CUNY Welfare Fund shall for all purposes be considered the successor entity to the current Fund.

26.4 The PSC agrees to establish a supplemental welfare benefits fund for instructional staff (a) who have separated from service subsequent to June 30, 1970, who were eligible to receive supplemental welfare benefits at the time of such separation, who remain primary beneficiaries of the New York City Health Insurance Program and are entitled to benefits paid for by the City through such program or (b) who have separated from service subsequent to June 30, 1970, who were eligible to receive supplemental welfare benefits and who were covered by a welfare fund at the time of such separation pursuant to a separate agreement between the Board of Higher Education/CUNY and the certified union representing such employees, who were participants in the CUNY optional Retirement Program (TIAA - CREF), who were employed by CUNY on a full-time basis for at least ten (10) years, who are at least age 55 and who have elected to and are receiving an annuity benefit from the CUNY optional Retirement Plan (TIAA - CREF) ("eligible individual or employee").

The University shall contribute the following annual amounts on a pro-rata basis for each eligible individual for remittance to the PSC to such supplemental benefits fund pursuant to the terms of a supplemental agreement to be reached by the parties:

a. Eligible Employees separated from service from July 1, 1970 through August 31, 1982

Effective September 1, 1987	$285.00
Effective September 1, 1988	$335.00
Effective September 1, 1989	$385.00

b. Eligible Employees separated from service on or after September 1, 1982.

Effective September 1, 1987	$725.00
Effective September 1, 1988	$775.00
Effective September 1, 1989	$825.00

26.5a. The University and the PSC agree to provide a health benefit, effective February 1, 1986, for qualified adjuncts through the establishment of a welfare fund benefit. The benefit shall be available only to those adjuncts who are teaching six or more hours (or the equivalent) in the semester and who have taught one or more courses in the same department at the same college for ten consecutive semesters (not including Summer Sessions) and who are not covered by other primary health care insurance provided by or through another source.

b. Effective September 1, 1988, the health benefit shall be available to those non-teaching adjuncts who are working ten or more hours per week and who have worked ten or more hours at the same college for two consecutive semesters and to those teaching adjuncts who are teaching six or more hours (or the equivalent) in the semester and who have taught one or more courses at the same college for two consecutive semesters (not including Summer

Sessions) provided that said non-teaching and teaching adjuncts are not covered by other primary health care insurance provided by or through another source. Adjuncts who establish eligibility as provided in this paragraph shall be eligible to receive benefits in the third consecutive semester at the same college.

An adjunct who has established eligibility for this health benefit shall lose eligibility if in any two out of three academic years the adjunct teaches in only one semester of the year at that college.

Effective February 1, 1986, an amount of money equal to one quarter of one percent (.25%) of the aggregate unit salaries shall be paid each year for health insurance benefits to the PSC for this welfare fund health benefit for eligible adjuncts.

ARTICLE 27
RETIREMENT

27.1 At such time as the prohibition against pension negotiations is removed, the PSC and the University agree to meet and negotiate matters of pensions which require legislative action.

The University agrees to make available to participants in the TIAA retirement program "The Retirement Transition Benefit" which permits an individual participant to receive a lump sum payment of up to 10% of his/her TIAA City accumulation if the participant is 55 or older at time of retirement.

The University shall continue to maintain and staff a University pension office for the purpose of providing informational services to the members of this unit.

Determination of pension eligibility and benefits are made by the appropriate retirement plan.

27.2 The parties agree to continue, subject to law, to implement a tax-free exchange of section 403(b) tax-sheltered annuity contracts for members of the New York City Teachers' Retirement System Tax Deferred Annuity Program with a different insurer as qualified under section 1035 of the Internal Revenue Code.

27.3 The University and the PSC agree that CUNY public retirement system retirees shall have the option of changing their previous choice of Health Plans and of providing for coverage of eligible dependents acquired subsequent to retirement, in accordance with the rules and regulations of the New York City Department of Personnel Health Insurance Division.

27.4 Effective September 1, 1985, or as soon thereafter as practicable, members of the Optional Retirement System (which at present is TIAA-CREF) who have separated from CUNY service and are collecting a retirement benefit based on their service at CUNY shall be eligible for coverage in the City Health Insurance Program, if and when the following additional qualifications are met:

APPENDIX

WORKLOAD - SETTLEMENT AGREEMENT

1. This Agreement is applicable to all full-time classroom teaching members of the instructional staff for undergraduate courses.

2.* The annual undergraduate teaching contact hour** workload shall be as follows, it being understood that the term "undergraduate teaching contact hour workload" includes released time assigned to the individual and approved in the college:

Professors, Associate Professors, Assistant Professors in the Senior Colleges***	-	21 hours
Professors, Associate Professors, Assistant Professors in the Community Colleges	-	27 hours
Instructors and Lecturers	-	27 hours

*This provision does not apply to instructional situations involving supervision of students in other than organized classes: appropriate multiples in these and related areas shall be determined by the colleges based on past experience and practices.

**For purposes of this Agreement, an undergraduate teaching contact hour is defined as an organized class which meets at a regularly scheduled time during the semester, quarter or session for one fifty minute period or its approved equivalent period.

***At the College of Staten Island, the undergraduate teaching contact hour workload for Professors, Associate Professors, and Assistant Professors shall be 22 hours except in the Mechanical Technology/Electrical Technology Department, Secretarial Science and Human Services programs and Physical Education Department. The undergraduate teaching contact hour workload for Professors, Associate Professors and Assistant Professors in the Mechanical Technology/Electrical Technology Department, Secretarial Science and Human Services programs and Physical Education Department shall be 27 hours.

For purposes of this Agreement, New York City Technical College shall be considered a community college.

3. A. The concepts of Mode I and Mode II as defined in the opinion and Award are inapplicable.

B. In those colleges of the University which have a practice of contact hour multiples for specified courses during the 1981-82 academic year, such practice may be continued.

C. The parties agree that some degree of flexibility in terms of class size and in total student load will be required by the University for the purpose of implementing this Agreement.

D. Other than as provided in Article 6 of the Collective Bargaining Agreement, determination of the adjustment and assignment of released time shall remain discretionary with the University both as to the amount of released time and as to the identity of the individual member of the Instructional Staff to whom such released time is granted.

4. Implementation of the annual undergraduate teaching contact hour workload shall be as follows:

A. For the purpose of implementing this Agreement only, seniority shall be determined by the length of continuous service from the date of appointment to the academic department in the full time instructional staff titles in the collective bargaining unit.

Continuous service shall be defined as all time served in the department since the date of appointment to the department including leaves of absence with or without pay, fellowship leaves, partial leaves of absence, absences from active service of persons appointed or reappointed pursuant to the grievance and arbitration procedures.

Ties in seniority shall be resolved as follows:

1) By title - first Professors, then Associate Professors, and third, Assistant Professors.

2) In the case of ties involving the same rank, the Chairperson, in the presence of not fewer than two members of the P&B Committee, shall draw the names by lot. The person whose name is drawn first shall be deemed to have the greater seniority.

B. As a possible alternative to 4A above, for the purpose of implementing this Agreement only, when reorganization affecting seniority of the professoriate for a given department has occurred such department may, upon

a majority vote of the professoriate, elect the following alternative method of determining seniority: seniority shall be determined by the date of appointment to the college in a full-time classroom teaching title.

Continuous service shall be defined as all time served in the college since the date of appointment to the college including leaves of absence with or without pay, fellowship leaves, partial leaves of absence, absences from active service of persons appointed or reappointed pursuant to the grievance and arbitration procedures.

Ties in seniority shall be resolved as follows:

1) By title - first Professors, then Associate Professors, and third, Assistant Professors.

2) In the case of ties involving the same rank, the Chairperson, in the presence of not less than two members of the P&B Committee, shall draw the names by lot. The person whose name is drawn first shall be placed highest on the list.

If this alternative is adopted by the department, a written record of the vote shall be made and copies thereof shall be transmitted to the President, Labor Designee, Chairperson of the PSC Chapter, the Office of Faculty and Staff Relations and the PSC Central Office.

C. On or before March 15, 1983 each academic teaching department shall forward to the President a workload seniority list of all full-time teaching members of the department who are in the titles or are being recommended by the President for appointment or promotion effective September 1, 1983, in the titles Professor, Associate Professor and Assistant Professor. This list shall be known as the Professoriate list. The members of the department with the greater seniority shall be listed first; thereafter members of the department shall be listed in inverse order of seniority so that the last person on the list is the person with the shortest period of service or newly appointed on September 1, 1983.

The Professoriate list shall be subdivided into three equal parts based solely on seniority and regardless of professorial rank or tenure status. Where such division cannot be made because the yearly totals are unequal, the total shall be rounded to the next highest number in the first year of implementation and the

remaining number divided into equal parts. If an unequal number still exists for the remaining years, this process shall be followed for the successive years of the implementation.

The President shall have the right to modify the lists if he/she finds that the seniority has not been computed correctly, that the department members have not been placed on the correct list, or that some other error violative of this agreement has been committed.

Following the President's review and/or modifications, the President shall forward the professoriate list to the Chairperson prior to April 15, 1983.

D. On or before March 15, 1983, each academic teaching department shall forward to the President a list of members of the teaching staff of the department who are in the titles Instructor or Lecturer or are being recommended for appointment by the President to such titles effective September 1, 1983. Such list shall be known as the Instructor/Lecturer list. The Instructor/Lecturer list will be promulgated in alphabetical order according to the last name of the staff member.

The President shall have the right to modify the lists if he/she finds that the department members have not been placed on the correct list, or that some other error violative of this agreement has been committed.

Following the President's review and/or modifications, the President shall forward the Instructor/Lecturer list to the Chairperson prior to April 15, 1983.

E. By April 15, 1983, each department Chairperson shall post a copy of the Professoriate list and the Instructor/Lecturer list, as approved by the President, on the bulletin board of the department. A copy of both lists shall be furnished to each member of the teaching staff of the department, the academic dean and the labor designee of the college. The labor designee shall provide a copy of all lists to the Vice Chancellor for Faculty and Staff Relations and to the Executive Director of the PSC.

F. Effective May 2, 1983 persons may not be changed from one list to the other, except as a result of the appeal process specified in provision #5, regardless of change in title as a result of promotion, appointment, or other action affecting the full-time title or status of the individual member of the staff.

Persons who are newly appointed to the department or who are returned pursuant to the grievance and arbitration procedure shall be added to the appropriate part of the Professoriate list or to the Instructor/Lecturer list in accordance with the provisions of 4 A, B, C and D.

G. Full-time classroom teaching members of the staff of the teaching academic departments shall be assigned annual undergraduate teaching contact hour workloads as provided in Provision #2 above in accordance with the following schedule:

	Academic Year
Professoriate List - Part 1	1983-84
Professoriate List - Part 2	1984-85
Professoriate List - Part 3	1985 Fall Semester*
Instructor/Lecturer List	1986-87

* For LaGuardia Community College Fall and Winter Quarters 1985.

H. During the academic years, 1983-84 and 1984-85, a member of the professoriate classroom teaching staff shall not be assigned an annual undergraduate teaching contact hour workload in excess of that set forth in Provision #2, unless such individual during either academic years (1981-82 or 1982-83) had been assigned an annual undergraduate teaching contact hour workload in excess of that set forth in Provision #2, in which case such person shall not have an increase in contact hour workload beyond that assigned in either of those years.

The foregoing notwithstanding, an Assistant Professor who, during the term of this Agreement, is appointed to or reverts to the title Lecturer or Instructor shall be assigned the teaching contact hour workload appropriate to the title Lecturer or Instructor.

5. Appeals Procedure:

A full-time member of the classroom teaching instructional staff of an academic department may appeal only on the basis of the following:

1. The computation of his/her seniority;

2. He/she was incorrectly placed on the departmental professoriate list rather than on the departmental lecturer/instructor list or on the lecturer/instructor list rather than the professoriate list.

Such appeals shall be reviewed and resolved by a committee of five persons to be appointed by the President of each college.

The President of each college shall appoint a committee of five persons to review and resolve any appeals filed in accordance with these procedures. The membership of the committees shall include not less than three members of the tenured professoriate. No member of the committee shall take part in the consideration of an appeal from his/her department. The labor designee and/or personnel officer of the college shall serve as staff to the committee.

Appeals to the committee should be filed in writing with the Office of the President of the college not later than May 2, 1983.

The appellant has the burden of demonstrating that the computation of his/her seniority was not correct on the basis of the provisions of this agreement or that the appellant was incorrectly placed on the departmental professoriate list rather than on the departmental lecturer/instructor list or on the lecturer/instructor list rather than on the professoriate list.

A majority vote of the committee shall constitute the basis for sustaining the appeal.

The committee shall notify the appellant and the chairperson of the affected department in writing of its decision with a copy to the President as expeditiously as possible but in any case not later than August 1, 1983. Any change in the list resulting from committee action shall be effective for the spring semester, 1984.

No other appeal or grievance on the issue of seniority or appropriate list shall be permitted.

If a successful appeal results in a revised placement of other members of the department on either the Professoriate list or the Instructor/Lecturer lists, such persons shall be notified in writing by the college with copies to the Vice Chancellor for Faculty and Staff Relations and the Executive Director of the PSC.

6. The parties agree that the appended cases are resolved by this agreement and are hereby withdrawn with prejudice and shall not be the basis for any subsequent judicial or administrative proceeding.

The parties adhere to the dismissal by Arbitrator Sands of the scheduling and student load grievances and the PSC agrees to waive its right to grieve and arbitrate said grievances.

The following constitutes the Agreements between the City University of New York and the Professional Staff Congress/CUNY on Continuing Education and the Educational Opportunity Centers. These Agreements are supplementary to the Agreement between these parties for the period 1987-90.

Continuing Education programs are programs which are given under the aegis of a college supported by funds processed through the income fund reimbursable account.

2 TITLE AND SALARY

(a) 1) Persons teaching Continuing Education shall be employed in the title, Continuing Education Teacher for which the minimum hourly rate for new hires only effective September 1, 1987 shall be $22.50, effective September 1, 1988 shall be $23.40 and shall be increased to $24.50 effective September 1, 1989.

2) Each person employed on or before August 31, 1987 as a Continuing Education Teacher shall be paid at an hourly rate which is 5% more than the August 31, 1987 hourly rate during the period from September 1, 1987 through August 30, 1988. During the period from September 1, 1988 through August 31, 1989, the hourly rate of each person employed on or before August 31, 1988 shall be increased by 5%. During the period from September 1, 1989 through August 31, 1990, the hourly rate of each person employed on or before August 31, 1989 shall be increased by 4.5351%.

(b) A person who is teaching a course for which degree credit is granted by the college upon successful completion of the course shall be compensated for such course on an hourly basis in accordance with the Adjunct and Hourly Professorial Rate provided in Article 24 of the PSC Agreement.

(c) A person who has taught a course in Continuing Education during the period September 1, 1977-August 31, 1978 who is employed to teach such course shall be paid not less than the hourly rate paid to such person during the period September 1, 1977-August 31, 1978 provided such rate did not exceed the Adjunct and Hourly Professorial Rate in Article 24 of the 1977-78 PSC Agreement.

(d) Any teacher who at least once in the period September 1, 1977-August 31, 1978 taught a course and was paid a rate the same as a rate which appears under the heading "Adjunct and Hourly Professorial Rates, September 1, 1977" in Article 24 of the Agreement between the Board of Higher Education and the Professional Staff Congress/CUNY, 1977-78 for teaching a Continuing Education Course which continues to be offered shall be given first opportunity to teach such course.

(e) Any teacher who at least once in the period February 1, 1977-August 31, 1978 taught a course and was paid the same rate as a rate which appears under the heading "Adjunct and Hourly Professorial Rates, September 1, 1977" in Article 24 of the Agreement between the Board of Higher Education and the Professional Staff Congress/ CUNY, 1977-78 for teaching a course which ceases to be offered shall be given first opportunity to teach such course if such course is offered within 18 months of the time that the course ceases to be offered.

3 ACADEMIC REPORT

A person who is teaching a course for which degree credit is granted by the college upon successful completion of the course shall receive an Academic Report once each year signed by the Director of Continuing Education or his/her designee. This report shall state that services are satisfactory or unsatisfactory. Where the report indicates unsatisfactory service, the reasons for concluding that services are unsatisfactory shall be set forth. The person may respond to the Academic Report and if such response is received it should be attached to the report.

This provision shall not apply to any person who is also a member of the full-time or adjunct teaching staff of the College. In such instances, the Director shall have access to the College's personnel files for the person.

4 COMPLAINT AND GRIEVANCE MACHINERY

(a) Intent:

The parties agree to use their best efforts to encourage the informal and prompt settlement of complaints and grievances which may arise between the PSC, the employees, and the University. The orderly processes hereinafter set forth will be the sole method used for the resolution of all complaints and grievances.

(b) Definitions:

(1) A complaint is an informal claim by an employee covered by this Agreement or by the PSC of improper, unfair, arbitrary or discriminatory treatment. A complaint may, but need not, constitute a grievance. Complaints shall be processed through the informal procedure herein set forth.

(2) A grievance is an allegation that there has been a violation of the stated terms of this Agreement.

(c) Informal Procedure for Complaints:

An employee covered by this Agreement may present and discuss his or her complaint either with or without a representative of the PSC with the Continuing Education Director. Similarly, a representative of the PSC may present and discuss a complaint on behalf of any employee or group of employees with the Continuing Education Director of the unit involved and such discussion shall be entirely informal. Any settlement, withdrawal or disposition of a complaint at this informal stage shall not constitute a binding precedent in the settlement of similar complaints or grievances.

(d) Formal Procedure for Grievances

Grievances may be filed by an employee in the bargaining unit, on his or her behalf, or by the Professional Staff Congress on its behalf, or by the Professional Staff Congress on behalf of any employee or group of employees in the bargaining unit. Grievances involving employees in more than one College of the University may be filed by the PSC initially at Step 2 of the grievance procedure.

A grievance must be filed by an employee or the PSC within thirty (30) days, excluding Saturdays, Sundays and legal holidays, after the PSC or the employee on whose behalf the grievance is filed became aware of the action complained of. Any grievance or informal complaint not processed in accordance with the time limits specified herein shall be deemed waived by the grievant.

A grievance must be stated in writing setting forth the basis therefor with reasonable particularity, including a designation of the section of this Agreement relied upon, and the remedy requested.

Step 1. Grievances shall be filed at the college with the President's designee. The President or the designee shall, within fifteen (15) days excluding Saturdays, Sundays or legal holidays, of the receipt of the grievance, meet with the grievant and a representative of the PSC for the purpose of discussing the grievance. The designee shall within fifteen (15) days, excluding Saturdays, Sundays, or legal holidays, after the grievance meeting, issue a decision in writing to the grievant and the PSC.

Step 2. If the grievance has not been settled at Step 1, then within fifteen (15) days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of the written decision of the President's designee, or the expiration of the time limits for

making such decision, the grievant or PSC may submit the grievance in writing simultaneously to the University Dean for Faculty and Staff Relations and the Executive Director of the PSC/CUNY, together with a copy of the decision of the President's designee of the College affected and with a copy of any statement and exhibits to be considered. The College affected shall then be asked to submit any statement and exhibits to be considered.

The Executive Director of the PSC/CUNY and the University Dean for Faculty and Staff Relations shall confer in an attempt to dispose of the grievance.

Step 3. If the grievance has not earlier been resolved the person or persons who submitted the grievance at Step 2 may appeal the grievance to Step 3 by serving notice to that effect by certified mail, return receipt requested to the Vice Chancellor for Faculty and Staff Relations.

(e) As the need arises, the University and the PSC shall select an individual to review Step 3 grievances under this Agreement, and to issue a decision orally, or in writing as to the disposition of the grievance.

In no event shall such individual have authority to add to, subtract from, modify or amend the provisions of this Agreement or to appoint or direct an appointment of any person. Such decision or award shall be binding upon the PSC, the University and the employees affected thereby. The cost of this procedure shall be borne equally by the parties. Expenses for witnesses if utilized, however, shall be borne by the party who calls them. On issues of appointment such individual may make a financial award in an amount not to exceed the salary otherwise attributable to the appointment at issue.

5 DUPLICATIVE PROCEEDINGS

A grievance alleging a violation of Article 8 as incorporated in this Agreement shall not be processed under this Agreement on behalf of any employee who files or prosecutes, or permits to be filed or prosecuted on his or her behalf in any court or governmental agency, a claim, complaint or suit, complaining of the action grieved, under applicable federal, state or municipal law or regulation.

Notwithstanding the preceding sentence, in a case involving an appointment, if the processing of the grievance is not completed within three hundred and forty-five (345) days of the date of the beginning of the appointment at issue, the restriction provided in the preceding sentence shall not be applicable where a complaint is filed thereafter with the City Commission on Human Rights, the State Division of Human Rights or their successor agencies with respect to the same claim.

6. Persons and matters covered by this Agreement shall not be covered by any other articles of the Agreement with the PSC except Article 1 (Recognition) Article 3 (Unit Stability) Article 4 (Check-Off and Agency Shop) Article 5 (Information and Data) Article 7 (Organizational Use of Facilities) Article 8 (Non-Discrimination) Article 17 (Jury Duty) Article 38 (Workers Compensation) Article 39 (No Strike Pledge) Article 40 (Legislative Action) Article 42 (Duration).
